It's Colorado beautiful & tugs of fun!

Dear Competitor,

We would like to invite you to participate in the Colorado CDE & CT August 23-25. Entries open May 1 and close August 10.

Our judges are Teresa Bron, Tracy Morgan, and Kristin Whittington with Rebecca Gutierrez as TD.

The marathon course, designed by Keith Yutzy will include up to 7 obstacles through partly wooded trails, over grassy rolling terrain with some areas of sand and a water obstacle.

A new Advanced/Intermediate AI level has been added this year, in addition to Training, Preliminary and Intermediate CDE & CT divisions. We are excited to be chosen to host the ADS North American Preliminary and Intermediate Championships.

The competition will be held at the Colorado Horse Park, (CHP) in Parker, Colorado. We will be using the large arena in the main area of the park for dressage and cones. The arena footing is a mix of GGT (German Geo Textile) and sand, and is firm but resilient.

Driver/grooms will be permitted twice around on marathon per ADS Rule-book article 943.2 if scheduling permits. No horse, driver, navigator, or equipment may go more than twice in any course/test. Please include this information and notes on equipment sharing with your entry form.

Food will be available on the grounds or from many local restaurants. There are several hotels in the area. If you plan on camping in an RV or horse trailer, please fill out and submit the CHP RV reservation form. The form tells you to send it directly to CHP, but we ask that you also include a copy of the form with your event entry form.

This Colorado adventure promises to be both fun and challenging. We look forward to seeing you here!
